Invitation

The major activities under the 2011-2015 period require funding estimated at Kshs160M (amount may vary at implementation stages). This is in addition to the annual ministry budgets. Purchase of the plot takes up 88% of this amount.

We are all invited to kindly and prayerfully consider giving towards this course, in any of these two ways of giving:

- i) Making a pledge amount. As we all give regularly, it is amazing how quickly we will raise the required funds.
- ii) To loan the church money, preferably at no interest. This is also a form of giving as you will save the church interest on the bank loan (14% per annum payable to the bank which is approximately Kshs.13m per year for 5 years).

In addition to giving during offertory on Sunday, money may be given through direct banking:

Kenya Commercial Bank, Prestige Plaza,
Nairobi Baptist Church, A/C1131104552 or via
M-PESA Pay bill Number 516500.

Following God's Call

What a privilege it is for us to partner with God in His work! Jesus said "It is more blessed to give than to receive." (Acts 20:35). God can produce far greater returns on money invested in His Kingdom. May you experience the joy of giving as you partner with God in advancing His kingdom.

From History...

The fore-sight of our fore-runners saw the purchase of the property that hosts Bethel Sanctuary in 1960. Later the members were drawn to purchase the adjacent property that now hosts NMC sanctuary. Land is increasingly becoming a scarce resource and therefore a valued asset. Without the investment in land, there would be no construction of facilities that would go a long way in the expansion of the Kingdom of God. It is with this background that the current leadership took up an opportunity presented to them for piece of land across Ngong Rd.

Why now?

- ◆ The 2011-2015 Strategic Plan has expansion of our ministries, including facilities, as one of the key objectives.
- ◆ The government has in place plans to expand Ngong Road that will result in the loss of more than half of our parking space.
- ◆ The opportunity for purchase of a plot was preceded by events that only God could have ordered and this met our needs for ministry expansion and parking.
- ◆ The purchase price was Kshs.120M. The Leadership sought bank financing as an interim measure, given the timeframe within the purchase agreement. The tenure of the loan is five years.

Financing Commitment from Kenya Commercial Bank.

- ◆ The Church had borrowed Kshs.96M at an initial interest of 10%. The interest has currently increased to 14% beginning October 2011 with a likelihood of further increase. Our prayer is that this loan can be repaid in less than five years to save costs on interest.

Targets

NBC congregation prayerfully committed to work towards achieving the objectives within the 2011-2015 strategic plan, for the expansion of the kingdom of God. These objectives include:

1. Church Planting.
 - ◆ Ong'ata Rongai Church scheduled to begin in 2012
 - ◆ Kibera Church: 130 adults, 40 youth and 70 children meet weekly.
2. Expand Social Welfare Ministries to the vulnerable:
 - ◆ Kwale Outreach: set up a clinic
 - ◆ IDP Families support (55 children being paid for school fees).
 - ◆ Kibera Home-based care for HIV infected/affected families. (45 children & 40 adults)
3. Worship that addresses felt needs and attracts the unchurched. This requires that parking challenges are resolved.
 - ◆ The Church has purchased a plot (opposite NBC) on Ngong Road which will, in addition to a parking facility, include facilities that will attract the younger generation to church. These include: sports facilities, music studios, etc

We invite you to be part of the team that will see Nairobi Baptist Church reach Nairobi and beyond with the gospel of our Lord Jesus Christ.

TAKE THE OPPORTUNITY!

How can you be part of this mission:

2. Giving/pledging towards raising the finances.
3. Giving loans with minimal interest
